Sweater Lab: Many of you recently have asked about fitting and customizing a sweater. For some of you it might be your first adult sweater, for others you're wanting answers to get the correct fit. The silhouettes for sweaters are so interesting these days. We have oversized comfy pullovers and fitted cropped ones. I'm finally seeing the sizes expand to many body types, being more inclusive to the multitudes.

So, to help you get your sweater groove on, I have decided to start a **Sweater Lab**. This will be an informal meeting during Friday night Open Stitch to discuss all the in's and out's of making a garment that you will love! Join me on Friday nights from 5-8pm, during the summer, to get the answers you are looking for to complete a sweater in time for fall. We'll be starting this on Friday, June 7th, so search for patterns in your Ravelry queue that you've always wanted to but wasn't sure you had the chutzpah to work up.

Wait...what? I didn't mention the price? That's right, because there isn't one! This will be a drop-in format where I will lead the discussion about yarn selection, sizing, gauge, fit, customization of your sweater and so much more. All this at no cost to you. If you find you need more, I will be more than happy to schedule you for a private lesson.
