Get to Know Your Wheel: Do you have a new or new-to-you wheel? Have you started spinning on your own, but aren't sure about the vocabulary? Have you done some spinning, but had a difficulty you couldn't resolve?

Spinning wheels are simple, ingenious inventions, but that doesn't mean they are always intuitive! The best way to start spinning on a wheel is to get to know your equipment first. Once you are comfortable with your equipment, troubleshooting is a breeze, and you are on your way to tear-free spinning! In this workshop, we will get to know your equipment, including wheel mechanics, adjustment, cleaning & maintenance. **No Pre-requisite Skills Required!**

- Saturday, August 21 from 1- 3 p.m. with Donita
- **Face Mask Required**

Getting Started on a Spindle: Would you like to try spinning for the first time? Do you have a spindle you need some help with? Have you tried spindling on your own with limited success? Would you like to try spinning, but aren't ready to commit to the investment of money or space for a spinning wheel? Spinning on a spindle is a great way to try spinning fiber into yarn. Spindles are small to store, immensely portable, charming and warning: quite easy to collect! Some love spinning yarn on a spindle so much, it is their primary spinning tool (even after they have gotten a wheel!). This class is for a new spinner looking to learn about spindles, how to start spinning on a spindle, how to prepare your fiber to spin, what fibers to seek out when you are starting out and how to best use a spindle ergonomically. **No Pre-requisite Skills Required!**

- Saturday, August 21 from 10 a.m.- 12 p.m. with Donita
- **Face Mask Required**

Getting Started on Your Wheel: This class builds on “Get to Know Your Wheel”. Once you understand how your wheel works and what the parts are called, you are ready to start spinning fiber into yarn! We will attach leaders to your bobbins, how to set up your wheel for each new spin, how to ready your fibers for spinning, how to coordinate your feet and your hands, and SPIN! We will discuss how to choose a good seat to spin from and ergonomics to keep you spinning for years to come. We will also cover what fibers are best to start spinning with! **Pre-requisite Skills:** Students must have completed Spinning 101 before taking this class – immediately before this class is fine!

- Saturday, August 21 from 3:30- 5:30 p.m. with Donita
- **Face Mask Required**
- \$30 plus supplies

My First Colorwork Cowl: Add colorwork to your knitter’s bag of tricks with this advanced beginner friendly, introductory pattern. The First Colorwork Cowl’s motifs incorporate easy combinations of both one-color and simple two-color stranded rounds. Colors alternate frequently, meaning catching floats is not necessary! Worked in worsted-weight yarn, this pattern makes for great colorwork practice and swift gift knitting. You’ll learn how to read a colorwork chart, two handed stranded knitting and simple increases. **Pre-requisite Skills:** Basic knitting skills such as knit, purl, long- tail cast on and knitting in the round.

- Saturday, August 14 from 10 a.m.- 12 noon with Susan
- \$30 plus supplies

Tapestry Techniques II: Building on Tapestry Techniques I, we’ll continue working on our piece by adding stripes and gradient effects. We will work on selvages, color changes, how to catch and correct floats, and working with multiple strands of yarn at the same time. **Pre-requisite Skills:** Beginning Tapestry Weaving is required – Tapestry Techniques I will best prepare you!

- Thursday, August 12 from 6- 8 p.m. with Donita
- **Face Mask required**
- \$30 plus supplies

Class pricing and policies
