

May 2023 Class Schedule

Beginning Crochet: Crochet is hotter than ever! Whether you have never picked up a hook or are a knitter looking to expand your skill set, this class is for you. In this introduction to crochet, students will learn the basics, from creating a chain stitch to essential stitches like single crochet, double crochet, half double crochet, and triple crochet. This class will give students the foundational knowledge to create basic crochet projects. You will create a small project.

No Pre-requisite Skills Required!

- Mondays, May 15 & 22 from 1-3 p.m. with Beth
- \$60 plus supplies

Beginning Knit: Knitting is now more popular than ever, and you can learn too! In this 2-part class, students will learn how to cast on, the knit & purl stitch, knit and purl combination stitches in the same row, and how to read a pattern. During the second class, you will learn how to shop for and start your first project, the Wheat Scarf by Tin Can Knits.

No Pre-requisite Skills Required!

- Mondays, May 8 & 15 from 6-8 p.m. with Susan
- \$60 plus supplies

Beginning Spinning on a Wheel: Do you have a new or new-to-you wheel? Have you done some spinning, but had a difficulty you couldn't resolve? Spinning wheels are simple, ingenious inventions, but that doesn't mean they are always intuitive! The best way to start spinning on a wheel is to get to know your equipment first. Once you are comfortable with your equipment, troubleshooting is a breeze, and you are on your way to tear-free spinning! In this class, we will get to know your equipment, including wheel mechanics, adjustment, cleaning & maintenance. We will attach leaders to your bobbins, how to set up your wheel for each new spin, how to prepare your fibers for spinning, how to coordinate your feet and your hands, and SPIN! We will discuss how to choose a good seat to spin from and ergonomics to keep you spinning for years to come. We will also cover what fibers are the most beginner-

friendly! **No Pre-requisite Skills Required- Wheels must be assembled and in working order (things that should move do, things that shouldn't move don't, drive bands/brake bands/footmen intact). If you are unsure if your wheel is in working order, please schedule a Spin Doctor Wheel Evaluation before this class.**

- Sunday, May 21 from 1- 5 p.m. with Donita
- **Face Mask Required**
- \$60 + \$5 materials fee, payable to Donita (cash, paypal or venmo) on the day of the class

Building Blocks 5: If you have learned the basics of knitting (casting on, binding off) and want to steadily improve your skills then come join the Building Blocks of Skill series of classes. This is one of Michelle Hunter's most popular Building Block series. It is designed to move you from a beginner to an intermediate level knitter. Each class will focus on a different skill that every knitter should have in their repertoire. Attend every class and you will have 12 squares that you can stitch together into a beautiful afghan. **Pre-requisite Skills:** Knowledge of basic knitting stitches. All other stitches will be taught in class.

- Thursday, May 11 from 6-8 p.m. with Beth
- \$30 plus supplies

Crochet Half Granny Square Shawl: Granny squares are a classic crochet technique and are the latest trend right now! Why not use a bright and cheerful yarn to make a modern approach to a traditional granny square pattern – and make is a half square too. This easy patten results in a beautiful shawl that can be worn all year round! So easy you'll want to make more than one! **Pre-requisite Skills:** Familiar with basic crochet stitches (chain, slip stitch, single crochet, double crochet). All other stitches will be taught in class.
