Berroco 2025 MKALBlanket Workshop Clue 5: Build your skills with Berroco's year-long Mystery Blanket Knit Along! The Berroco Design Team has worked to create a delightful mix of techniques and methods for twenty 12 x 12" squares that come together to create a stunning finished blanket. Practice outside in, center out, and straight up and down knitting as you work through the collection of squares with their engaging mix of constructions. Throughout the year, you'll work squares featuring texture patterns, lace, cables, slipped stitches, stranded colorwork, intarsia, and finish with a cable and lace combo. Squares are seamed together during finishing with a border added to frame your masterpiece with the perfect finishing touch.

Each month, Susan will be teaching a class on that month's square. You can choose either doing one month's pattern or all of them. Kits are available in the studio in five different colorways, or you can choose your own. **Pre-requisite Skills:** Knowledge of basic knitting skills are required including knit & purl stitches, basic cast on and bind offs. All other stitches will be taught in class.

- Thursday, May 15 from 6-8 p.m. with Susan
- \$30 plus supplies

Beginning Rigid Heddle Weaving: Ever wanted to try weaving? Learn how to make woven fabric on a super portable, super approachable, super affordable rigid heddle loom!

***New* Envious Woven Wrap:** This wrap is so gorgeous; your fiber friends will be jealous! This woven wrap made of fingering weight yarn will be a welcome accessory for any time you need just a little warmth. Learning the warping and weaving techniques used to achieve this look will open up a world of color possibilities for your future weaving! In this class, you will learn how to direct-warp your loom to achieve the perfect gradient warp, wind your shuttles to create the faux gamp effect, and hemstitch. After class, you will finish your piece at home. **Pre-requisite Skills:** Students need to be able to weave and finish independently, with direction from the pattern. Students should have completed a few weaving projects before taking this class. The pattern is an advanced beginner difficulty level.

- Thursday, May 8 from 3-7p.m. with Donita
